Risk warning: Leveraged products carry a high level of risk to your capital and you should only deal with money you can afford to lose. The value of investments can fall as well as rise and you may lose your initial margin payment. Please note that leveraged products may not be suitable for everyone, so please ensure you fully understand the risks.

Risk warning: Leveraged products carry a high level of risk to your capital and you should only deal with money you can afford to lose. The value of investments can fall as well as rise and you may lose your initial margin payment. Please note that leveraged products may not be suitable for everyone, so please ensure you fully understand the risks.

**Notes:**

Commission charged: The commissions mentioned above are only those charged from one side. CF GLOBAL will cause commissions charged on a lump-sum basis for both trade sides in a single transaction upon opening a position;

Actual spread: In real trades, the spread will fluctuate with market conditions. The spreads above mentioned only apply to general conditions and shall be subject to the real-time spreads published on the trade platform;

Overnight rate: this interest rate will be regularly adjusted according to market conditions. All these are general information and shall be subject to the detailed rules published on the trade platform;

Risk warning: Our services include products traded on margin and may not be suitable for all investors as you could sustain losses in excess of deposits. Be aware and fully understand all risks associated with the market and trading.
